Dutchess County Genealogical Society

In partnership with the Dutchess County Historical Society

Presents "Using History Resources for Genealogical Research"

Dutchess County Genealogical Society

Executive Director Bill Jeffway takes us on a tour through the resources at the DCHS library, many of which are currently available online. DCGS President Valerie LaRobardier will discuss how to find and use historical resources in any area. We will have breakout rooms for small group networking and socializing after the presentation.
