NAME SEARCH The DCGS offers Name Searches of the pre-1880 time period. For a specific question based on 1 surname, we will search indexed materials in our library for up to 2 hours.

Name Search is currently on hold due to a backlog and fewer volunteers. We do have surname files at the Family History Library that you are welcome to peruse when you come to visit. Please let us know if you have an interest in volunteering for this activity. It can be a lot of fun, a way to give back to the community of family historians and learn more genealogy research techniques at the same time!

Back issues of THE DUTCHESS: All back issues of The Dutchess are available for purchase. Each annual volume consists of 4 quarterly issues (Fall, Summer, Winter, Spring), and costs \$28. A complete Table of Contents for The Dutchess is online at our website <www.dcg-gen.org>.
